

The Shah Sleeps in Lee Harvey's Grave

Butthole Surfers

But the Shah sleeps in Lee Harvey's Grave!
There's a time to shit and a time for God,
The last shit that I took was pretty fuckin' odd!
There's a time for drugs and a time to be sane,
Jimi Hendrix makes love to Marilyn's remains!
There's a time to live and a time to die,
I smoke Elvis Presley's toenails when I wanna get high!
There's a time to fuck and a time to crave,
But the Shah sleeps in Lee Harvey's Grave!
Don't look back at me
I see you trembling
You look like shit
I am the ultimate God!
God is second to me!
I am number one motherfucker!
Don't even look back
Don't even look upon me
with your naked eyes
Shut up!
Shut up!
Shut up! etc.
