Live from the underworld  
It's Fizzy Womack ten bitch  
And I ain't yappin', I'm clappin'  
Your ain't a murderer, start walkin' 'fore I blast  
'cause your breath smell like shit, from talkin' our ya ass  
Hold that, it's the invisible Brownsvillain  
(Down)

That stand up on fertile ground  
(Make 'em leave)  
I try ta, I got 'em  
(When I spit, best believe)  
I shot 'em, make 'em shit rock bottom  
You started some shit, see ya, wouldn't wanna be ya  
Now you sellin' up shit, creaks floatin' in diarrhea  
Home skillet, you way outta my past

It's 7:25 and I'm 5 minutes from wiggin' out on ya ass  
7:30 in the face, crazy ass nigga

Watch the guns cock, pop, Brooklyn style  
Bucka, bu-bucka, bucka  
(Bucka, bu-bucka, bucka)

Say it, say it again nigga  
(Brownsville, Brownsville)  
To the motherfuckin' end nigga  
I'm a street roller, heat holder  
Complete soldier, repeat soldier  
William will hop out of a stolen ova and slump ya ass over  
I'm a little bit bolder, a little bit colder  
Got a little bit of a chip on my shoulder  
I will rip through you cobra, quiet as kept

You motherfuckers better watch ya step  
(Debt)  
It's danger when fuckin' wit' a nickel-plated soldier  
Creep up behind you and bang  
(Bang, bang ya)  
I leave your inner body outta place  
Have you right in front of the tunnel wit' holes in your face  
You niggas want war, keep it like that  
We will make it uglier then sin when my empire strikes back

It's them Background Niggaz, back down niggas  
Murda-ma-murda nigga  
(Kill 'em, nigga, kill 'em)  
Leave them slumped back, feel 'em, young cats peel 'em  
Murda-ma-murda nigga  
(Kill 'em, nigga, kill 'em)

It's them Background Niggaz, back down niggas

(Kill 'em, nigga, kill 'em)

I never been afraid to ride  
I ain't afraid to live, so you know I ain't afraid to die  
Put five in ya face, you dog give ya rest of this  
I'mma make his ass rest in piss  
(Blackout)

Catch him in a dark alley and hit ass wit' the grand finale  
(Blackout)  
Two more times  
(Blackout, blackout)

I told you about fuckin' wit' mine, game over

Flatline, tell ya niggas it's gat time, don't ever try to come at mine  
You never know what scheme I'm on  
Until the beam come on, you know what team I'm on  
From the homicidal side of town  
Now, get my niggas round up, will tear the ground up  
(Clack, clack)  
Pounds up, ya know the drill  
You motherfuckers better respect the 'Ville  
(Kill, kill)

It's them Background Niggaz, back down niggas  
Murda-ma-murda nigga  
(Kill 'em, nigga, kill 'em)  
Leave them slumped back, feel 'em, young cats peel 'em
