Risen

O.A.R.

I'm not quite sure how I got here
A minute passed and I'm on my feet
I never knew life could taste so good
I need a little minute
Just a moment to breatheNo matter where I go, no matter who I see
Well I'm reminded of my earlier days
No matter where I roll, no matter what I know
Well I'm reminded of my earlier ways
But now I keep asking myselfWouldn't it be the best damn day
If we all took time to breathe?
Just one stolen paragraph
In the book's written historyDon't you sometimes wonder
Why people are afraid to smile?
Don't look down we're gonna come around
And it always come to back, crack of time eventually
Just ascend with meI'm not quite sure when I woke up
The night flew by as I lay asleep
Who ever knew that life could feel so good?
I need another minute
Just a moment to breatheNo matter where I go, no matter who I see
Well I'm reminded of my earlier days
No matter what I know, no matter where I roll
Well I'm reminded of my earlier ways
But now I keep asking myselfWouldn't it be the best damn day
If we all took time to breathe?
Just one stolen paragraph
In the book's written historyDon't you sometimes wonder
Why people are afraid to smile?
Don't look down we're gonna come around
And it always come to back, crack of time eventuallyWouldn't it be the best damn day?
Wouldn't it be a wonderful day?
Wouldn't it be a glorious day?
If we all took time to smile
Made just a minute for you and me
Wouldn't it be the best damn day?Wouldn't it be the best damn day?
Wouldn't it be the best damn day?
Wouldn't it be the best damn day?
Wouldn't it be the best damn
