Miss You Nights

Smokie

I've had many times
I can tell you
Times when innocence I'd trade for company
And children saw me crying
I thought I'd had my share of that
But these miss you nights
Are the longest
Midnight diamonds
Stud my heaven
Southward burning
Lie the jewels that eye my place
And the warm winds
That embrace me
Jst as surely kissed your face
Yeah these miss you nightsAre the longest
How i miss youI'm not likely to tell
I'm a man and cold day light
Buys the pride I'd rather sell
All my secrets
Are wasted affair
You know them well
Thinking of my goingHow to cut the thread
And leave it all behind
Looking windward for my compass
I take each day as it arrivesBut these miss you nights
Are the longest
Lay down all thought of your surrender
It's only me who's killing time
Lay down all dreams and themes once remembered
It's just the same
This miss you game
Yeah these miss you nights
Are the longest
