

# Can't Say No (From "Can't Say No" Demo, 1989)

## Spin Doctors

You came to stay a long time ago  
It was my wild  
Your special touch  
My mind's been busted up  
My feelings like rocks nowhere to run  
Been out of touch  
Yeah, I can't say no  
I can't say no  
Yeah, that's the way it goes Speedin' down your arteries  
Freeway to your heart  
Runnin' hot  
Sworn by conviction  
Metal train will go back  
Even when there's no tracks  
It's you by raw intention Yeah, I can't say no  
I can't say no  
Yeah, that's the way it goes Red light on my mind  
Burnin' through my head  
Lookin' all ways  
A lot of pretty faces  
A few you can trust  
Take a chance,  
You know you gotta. Yeah, I can't say no  
I can't say no  
Yeah, that's the way it goes That's the way it goes, yeah, yeah
