

Badream

Jakalope

It's time for the crying to stop
Cause I love you
It's time for you to grow up
I want you
And I need you There's a hole in your soul
Where your heart used to be
All the doors are locked
And you can't find the key
There's fish in the sky
And there's birds in the sea
Cause you want me
And you need me You're drowning from all of the tears in the sky
It's a bad dream
You can't even close your eyes
It's a bad dream
A bad dream It's time for the burn in the sky
Cause I'm hungry
It's time for you to let it die
You're lonely
All alone Tigers in their tanks struggle to get free
Skinny little dogs barking up the wrong tree
Snakes in the grass learn their ABCs
And you need me
And you want me You're drowning from all of the tears in the sky
It's a bad dream
You can't even close your eyes
It's a bad dream
A bad dream Screaming from a voice inside
Running but you cannot find
A place
To hide
From the bad dream There's a hole in your soul
Where your heart used to be
All the doors are locked
And you can't find the key
There's fish in the sky
And there's birds in the sea
And you hate me
But you need me You're drowning from all of the tears in the sky

It's a bad dream
You can't even close your eyes
It's a bad dream
A bad dream Screaming from the voice inside
Trying to find a place
Inside
To hide
From the bad dream The bad, bad
Bad, bad
Bad, bad
Dream
