Badream

Jakalope

It's time for the crying to stop

Cause I love you

It's time for you to grow up

I want you

And I need youThere's a hole in your soul

Where your heart used to me

All the doors are locked

And you can't find the key

There's fish in the sky

And there's birds in the sea

Cause you want me

And you need meYou're drowning from all of the tears in the sky

It's a bad dream

You can't even close your eyes

It's a bad dream

A bad dreamIt's time for the burn in the sky

Cause I'm hungry

It's time for you to let it die

You're lonely

All aloneTigers in their tanks struggle to get free

Skinny little dogs barking up the wrong tree

Snakes in the grass learn their ABCs

And you need me

And you want meYou're drowning from all of the tears in the sky

It's a bad dream

You can't even close your eyes

It's a bad dream

A bad dreamScreaming from a voice inside

Running but you cannot find

A place

To hide

From the bad dreamThere's a hole in your soul

Where your heart used to me

All the doors are locked

And you can't find the key

There's fish in the sky

And there's birds in the sea

And you hate me

But you need meYou're drowning from all of the tears in the sky

It's a bad dream
You can't even close your eyes
It's a bad dream
A bad dreamScreaming from the voice inside
Trying to find a place
Inside
To hide
From the bad dreamThe bad, bad
Bad, bad
Bad, bad
