Everyday Will Be Like A Holiday

William Bell

Everyday will be like a holiday
When my baby, when my baby comes homeNow she's been gone
for such a long time
ever since she's been gone,
she been on my mindI got a letter today,
just about noon
she said, "Don't worry, I'll be home soon"Everyday will be like a holiday
When my baby, when my baby comes homeI'll never have to worry
about sitting by the phone
when she gets here
I'll never be aloneShe said she'd get here sometime today
I know when she gets here
She'll never go awayEveryday will be like a holiday
When my baby, when my baby comes homeEveryday will be like a holiday
When my baby, when my baby comes home
