Linger

Screeching Weasel

LingerIf you, if you could return
Don't let it burn,don't let it fadeI'm sure I'm not being rude
But it's just your attitudeIt's tearing me apartIt's ruining everythingI swore, I swore I would be trueSo why were you holding her hand
And honey so did youIs that the way we standWere you lying all the timeWas it just a game to you
But I m in so deepYou know I'm such a fool for youYou got me wrapped around your fingerDo you have to let it linger
Do you have to, do you have to let it lingerOh, I thought the world of youI thought nothing could go wrong
But I was wrong, but I was wrongIf you, if you could get by
Trying not to lieThings wouldn't be so confused
And I wouldn't feel so usedBut you always really knewI just wanna be with youBut I'm in so deep
You know I'm such a fool for youYou got me wrapped around your fingerDo you have to let it lingerDo you have to, do you have to let it lingerOh, I thought the world of youI thought nothing could go wrong
But I was wrong, but I was wrong
