

Linger

Screeching Weasel

Linger If you, if you could return
Don't let it burn, don't let it fade I'm sure I'm not being rude
But it's just your attitude It's tearing me apart It's ruining everything I swore, I swore I would be true So why were
you holding her hand
And honey so did you Is that the way we stand Were you lying all the time Was it just a game to you
But I'm in so deep You know I'm such a fool for you You got me wrapped around your finger Do you have to let
it linger
Do you have to, do you have to let it linger Oh, I thought the world of you I thought nothing could go wrong
But I was wrong, but I was wrong If you, if you could get by
Trying not to lie Things wouldn't be so confused
And I wouldn't feel so used But you always really knew I just wanna be with you But I'm in so deep
You know I'm such a fool for you You got me wrapped around your finger Do you have to let it linger Do you
have to, do you have to let it linger Oh, I thought the world of you I thought nothing could go wrong
But I was wrong, but I was wrong
