

Lonely Again

Eddy Arnold

Lonely again
No arms around meYou told me that others before you
Were foolish to cause me to cry
And just when I learned to adore you
You kissed one more dream goodbyeAnd left me lonely again
Just like you found me
Lonely again
No arms around meJust when I'm sure
That my heart is secure
And my teardrops are dried
With the warm blow insideAnd this love of mine
Till the end of the line
That's always the time
That I'm lonely againYou told me you wanted me only
That this time and this love would last
You told me I'd never be lonely
And now, you belong to the pastAnd I'm still lonely again
Just like you found me
Lonely again
No arms around meJust when I'm sure
That my heart is secure
And my teardrops are dried
With the warm blow insideAnd this love of mine
Till the end of the line
That's always the time
That I'm lonely again
