Close up (Original Mix)

Nhar

All shapes
Are fading away..
One way,
To lead us all..

Many places
They look the same..

One way,
To walk forever..

My suns,
Are turning grey
That way,
I'll make you love..

And then,
I'm still the same
One way,
To leave me hope..

All shapes
Are fading away..
One way,
To lead us all..
Many places
They look the same..
One way,
To walk forever.. x2

My suns,
Are turning grey
That way,
I'll make you love..

And then,
I'm still the same
One way,
To leave me hope..

All shapes
Are fading away..
One way,
To lead us all.. x2
