

# Close up (Original Mix)

## Nhar

All shapes  
Are fading away..  
One way,  
To lead us all..

Many places  
They look the same..

One way,  
To walk forever..

My suns,  
Are turning grey  
That way,  
I'll make you love..

And then,  
I'm still the same  
One way,  
To leave me hope..

All shapes  
Are fading away..  
One way,  
To lead us all..  
Many places  
They look the same..  
One way,  
To walk forever.. x2

My suns,  
Are turning grey  
That way,  
I'll make you love..

And then,  
I'm still the same  
One way,  
To leave me hope..

All shapes  
Are fading away..  
One way,  
To lead us all.. x2
