

# Killin' Me Asylum

## External Menace

Once in a lifetime  
It's just right  
We make no mistakes  
Not even a landslide  
or riptide  
could take it all away  
Somehow  
it feels like nothing has changed  
Right now  
my heart is beating the same  
out loud  
someone's calling my name  
It sounds like you  
When I close my eyes  
All the stars align  
And you are by my side  
You are by my side  
Once in a lifetime  
It's just right  
We are always safe  
Not even the bad guys  
in the dark night  
Could take it all away  
Somehow  
feels like nothing has changed  
right now my heart is beating the same  
Out loud  
someone's calling my name  
And it sounds like you  
When I close my eyes  
All the stars align  
And you are by my side  
You are by my side Once in a lifetime  
you were mine
