

# It's a Wrap (feat. Mary J. Blige)

[Mariah Carey](#)

Advisory - the following lyrics contain explicit language:

Now for the Deluxe  
Now Mariah, you know I love you  
I love you all my life  
But I wouldn't be a friend or even fan if I didn't  
give you the real  
You been hangin' on to this dude  
knowin' he doin' you dirty  
Why won't you just cut this guy lose?  
You know, tell him it's a wrap 'cause  
You better than that  
And you Mariah Carey, remember?  
Shit! Yet another early mornin'  
and you walk in like it's nothing  
Hold up, hold up, hold tight  
Ain't no donuts, ain't no coffee  
See I, know you seen me calling and calling  
I should crack you right in your forehead  
Let me take a breath (let me take a breath)  
And regain my composure  
Told you one more time (told you one more time)  
If you f'ed up it's over  
'Cause when it's gone, it's gone, it's gone, it's gone  
You're dead wrong, so wrong, so wrong, so wrong  
So just scoo do do doot, scoo do do doot baby  
It's a wrap for you baby  
(It's a wrap)  
It's a wrap for you boy (it's a wrap)  
Oh, baby  
If I ever misrepresented my self-image  
Then I'm sorry  
I was oh so acquiescent  
But I learn my lesson  
Boy, you're sorry  
Buh buh buh  
All out in the open  
Go make me go call Maury Povich  
Let me take a breathe (let me take a breathe)  
And regain my composure

Told you one more time  
If you f'ed up it's over  
When it's gone, it's gone, it's gone, it's gone  
You're dead wrong, so wrong, so wrong, so wrong  
So just scoo do do doot, scoo do do doot baby It's a wrap for you baby  
(it's a wrap)  
It's a wrap for you boy  
Oh, baby Put all of your shit in the elevator  
It's going down like a denominator  
Trying to keep holding on, holding on  
Boy, let me go  
You gonna wake my neighbors, get away from my door  
That was your last shot, you ain't coming back  
It's the Martini I mean it baby  
it's wrap When it's gone, it's gone, it's gone, it's gone  
You're dead wrong, so wrong, so wrong, so wrong  
So just scoo do do doot, scoo do do doot baby  
Boy I ain't playing a game  
It's wrap, I told you, I told you  
It's wrap, if you act up one more time it's over  
It's wrap, so get out of my face, it's over  
Been sitting here all night, leave me alone.  
Since one o'clock A.M. been drinking patron  
Let the credits role, it's a wrap
