

# Holding You Back

## The Casket Girls

i could never be the one to tell you  
that its not enough  
every time i try to tell you something  
you shut me up  
so i wrote it in a letter to you honeyto someone i loved  
the note has gone flat  
the scale is tipping  
and i'm holding you back  
we tried and its true  
the night has gone black  
the daylight is blinding  
and i'm holding you back  
when you think about me when i'm gone,  
don't be blue  
i couldn't stay when i knew that was wrong  
and you knew it too  
so i wrote it in a letter to you honey...letter to you honey  
but don't be blue  
i'm holding you back  
to someone i loved  
the note has gone flat  
the scale is tipping  
and i'm holding you back  
we tried and its true  
the night has gone black  
the daylight is blinding  
and i'm holding you backi could never be the sun you see  
when you look at me  
blind and happy
