Pray

Take That

When the time grew near, for me to show my love
The longer I stayed away for, hidin' from a word
I need to hear now, don't think I'll hear it again (Don't think I'll hear it again)But the nights were always warm with you
Holding you right by my side (Right by my side)
But the mornin' always comes too soon
Before I even close my eyes (Close my eyes)All I do each night is pray (Woah)
Hopin' that, I'll be a part of you again someday (Oh yeah)
All I do each night is think (Oh yeah), of all the times
I've closed the door to keep my love within (Closed the door)If you can't forgive the past, I'll understand that
Can't understand why I did this to you
And all of the days and the nights, oh I'll regret it
I never showed you my love (I never showed you my love)But the nights were always warm with you (My love)
Holding you right by my side (Right by my side)
But the mornin' always comes too soon
Before I even close my eyes (Close my eyes)All I do each night is pray (All I do each night is pray)
Hopin' that, I'll be a part of you again someday (Down on my knees)
All I do each night is think (Yeah), of all the times
I've closed the door to keep my love withinSurely we must be in sight (Woah)
Of the dream we long to live (We long to live)
If you stop and close your eyes, you'll picture me inside
I'm so cold and all aloneStraight on back to meAll I do each night is pray
Hopin' that I'll be a part of you again someday
All I do each night is think, of all the times
I've closed the door to keep my love withinAll I do each night is pray (Come on, time is running out)
Hopin' that I'll be a part of you again someday (You and me)
All I do each night is think, of all the times (On my knees, you and me)
I've closed the door to keep my love within (On my knees)
All I do each night is pray (You and me, forever more)
Hopin' that I'll be a part of you again someday (That's what I told you)
