Mm

Mm

Yeah

Mm

Yeah, yeah, yeah

Mm

Uh

Yeah

Mm

Yeah, yeahBaby I just don't get it

Do you enjoy being hurt?

I know you smelled the perfume,

The make-up on his shirt

You don't believe his stories

You know that they're all lies

Bad as you are, you stick around

And I just don't know whyIf I was ya man (baby you'd)

Never worry bout (what I do)

I'd be coming home (back to you)

Every night, doin' you right

You're the type of woman (deserves good things)

Fist full of diamonds (hand full of rings)

Baby you're a star (I just want to show you, you are)You should let me love you

Let me be the one to

Give you everything you want and need

Baby good love and protection

Make me your selection

Show you the way love's supposed to be

Baby you should let me love you, love you, love you,

Love you yeahListen

Your true beauty's description

Looks so good that it hurts

You're a dime plus ninety-nine

And it's a shame don't even know what you're worth

Everywhere you go they stop and stare

'Cause you're bad and it shows

From your head to your toes, out of control, baby you knowIf I was ya man (baby you'd)

Never worry bout (what I do)

I'd be coming home (back to you)

Every night doin' you right
You're the type of woman (deserves good things)
Fist full of diamonds (a hand full of rings)
Baby you're a star (I just want to show you, you are) You should let me love you
Let me be the one to
Give you everything you want and need
Ooh baby good love and protection
Make me your selection
Show you the way love's supposed to be
Baby you should let me You deserve better girl (you know you deserve better)
We should be together girl (baby)
With me and you it's whatever girl, hey!
So can we make this thing ours? You should let me love you
Let me be the one to
Give you everything you want and need
Good love and protection
Make me your selection
Show you the way love's supposed to be You should let me love you
Let me be the one to
Give you everything you want and need
Good love and protection
Make me your selection
Show you the way love's supposed to be You should let me love you
Let me be the one to
Give you everything you want and need
Good love and protection
Make me your selection
Show you the way love's supposed to be yeah
Let me love you That's all you need baby
