

Devil's Son

Bob Wayne

Fire!

yaa! I am the one, I am the one that you need

I am the one, I am the one that you need

I am the one, I am the one

I am the one, I am the one that you need

I am the one, I am the one that you need

I am the one, I am the one

The Devil's son has just begun

The Devil's son has just begun

The Devil's son has just begun

To shine, to shine

The Devil's son has just begun

The Devil's son has just begun

The Devil's son has just begun

To shine, to shine I am the one to do the deed, I am

I am the one to do the deed

I am the one to do the deed

I am the one I am the one, I am the one that you need

I am the one, I am the one Two

I am the one, I am the one

I am the one The Devil's son has just begun

The Devil's son has just begun

The Devil's son has just begun

To shine, to shine

The Devil's son has just begun

The Devil's son has just begun

The Devil's son has just begun

To shine, to shine, to shine

To shine What's left unsaid

Yeah things come around This is the one this is

This is the one this is

This is the one this is

This is the one this is

This is the one this is

This is the one this is

Check it, This is the one The Devil's son has just begun

The Devil's son has just begun

The Devil's son has just begun

To shine, to shine

The Devil's son has just begun
The Devil's son has just begun
The Devil's son has just begun
To shine, to shine, to shine
To shineFire
