Hanginâ€™ There

Amro El Meligy

Sun goes, Sky falls
Night comes, Rain Falls

Just because Iâ€™m alone feeling torn without you
Just because itâ€™s been a long since Iâ€™ve heard of you

And I want you to be mine
And as you know Iâ€™ve been hanginâ€™ there for long
Hanginâ€™ there for long
Come back, Come back

Days come, Days go
Weeks pass, we lose tracks

Just because Iâ€™m alone feeling torn without you
Just because itâ€™s been a long since Iâ€™ve heard of you

And I want you to be mine
And as you know Iâ€™ve been hanginâ€™ there for long
Hanginâ€™ there for long
Come back, Come back
