

Out of Style

Brandon Rogers

Ive been trying to keep these feelings to myself
But weve got a library of history on the shelf
Ive got some things that I need to say
And no, baby. This cant wait
I got to do it I was hoping that it would never come to this
But if I save right now for later, Id be remiss
So, if I want to work this out, Then we gotta duke it out We got to do it
When Im out
With my friends
You think Im doing wrong
And if I dont
Call you every five minutes
Its been too long
I know
You think honesty is not in style
All that Im trying to say
Is youve got to change sometimes Now, I know I havent always been the best
I did my time for the crime that I confessed
So lets keep the past the past
You got to trust me, this I ask
Are you gonna do it? When Im out
With my friends
You think Im doing wrong
And if I dont
Call you every five minutes
Its been too long
I know
You think honesty is not in style
All that Im trying to say
Is youve got to change sometimes Cause I dont know how much more that I can take
If you keep treading on thin ice, its bound to break
If its the end you want to see, then baby keep on pushing me
Do you really wanna do it?
