Brand New Girlfriend

Steve Holy

She said, 'I need sometime to find myself
I need a little space to think
Maybe we should start seeing other people
Baby, things are moving way too fast for me.'
So, I, I picked up what was left of my pride
And I put on my walking shoes
And I got up on that high road
And I did what any gentleman would do
I, um

[Chorus]
I got a brand new girlfriend
We went and jumped off the deep end
Flew out to LA for the weekend
Spent the whole day lyin' on the beach
Wearin' nothin' but a smile
Playin' kissy-kissy, smoochy-smoochy
Talkin' mushy-mushy 'bout nothin'
Man, I think I'm on to somethin'
Ya know, I feel just like a kid again
I got a brand new girlfriend

I love it when she calls me butter cup
Laughs and says I left the toilet seat up
She pops the top for me a cold beer
And says my buddies always welcome here
When I get hungry, she takes me out
I ride the shotgun like a Shih Tzu hound
My tails a waggin', my tounge's hangin' out
It makes me wanna shout

[Chorus]

Wooo
Cute, cute, cute

She likes to write our names in the sand
She's hearing wedding bells and making plans
She's gonna hang around a while I guess

She hasn't even told me she loves me yet

[Chorus]

She makes me feel just like a kid again
I gotta brand new girlfriend
