

# Start The Fire

## Tarkan

Baby, I'm feeling your fire  
I'm feeling you close to me  
Feel the desire Tell me you wanna take a ride  
I wanna get you alone  
And make you mine 'Cause when I see you do that  
Chiki, chiki, chiki, chiki thing  
I wanna roll And if you wanna tell me  
Tell me what you want  
And baby, we can let it go Crazy, you're making me high  
I'm doing things I'd never do  
I'm out of my mind Say, say, say  
Baby, that you want it too  
Everything you wanna do  
It's on tonight Say, say, say  
We're gonna break all the rules  
It only takes me and you  
To start the fire, ooh Lady, you're seeing me fall  
I wanna see that shake  
Shake, shake I wanna see it all  
Show me how to let go  
Take me up there with you  
Don't take it slow 'Cause when I see you do that  
Chiki, chiki, chiki, chiki thing  
I wanna roll And if you wanna tell me  
Tell me what you want  
And baby, we can let it go Crazy, you're making me high  
I'm about to lose control  
You, I can't deny Say, say, say  
Baby, that you want it too  
Everything you wanna do  
It's on tonight Say, say, say  
We're gonna break all the rules  
It only takes me and you  
To start the fire, ooh Start the fire  
Start the fire  
Start the fire I like the way you chiki, chiki  
Start the fire  
Uhh, you gotta give me, give me  
Start the fire Soon you gotta tell me, tell me

Start the fire  
Uhh, I like it when you  
Start the fireSay, say, say  
Baby, that you want it too  
Everything you wanna do  
It's on tonightSay, say, say  
We're gonna break all the rules  
It only takes me and you  
To start the fire, ooh
