Inspiration (Peter Luts Remix)

Ian Van Dahl

When your dreams are lost and blown away and you need someone to make your day I'll be your inspiration
I'll be your inspiration
If there comes a time your hope is gone and you need some help to carry on I'll be your inspiration
I'll be your inspiration
'Cause when you look into my eyes You can see there's no disguise
Don't be afraid To need someone You don't have to be alone
Don't be afraid To need someone You don't have to be alone
