

Immortality (from Saturday Night Fever)

Michael Ball

So this is who I am and this is all I know
And I must choose to live
For all that I can give
The spark that makes the power grow And I will stand
For my dream if I can
A symbol of my faith in who I am
But I am so lonely And I must follow on
The road that lies ahead
I won't let my heart control my head
I am so lonely And we don't say goodbye
We don't say goodbye
And I know what I've got to be Immortality
I make my journey through eternity
I keep the memory of you and me inside Fulfill your destiny
It's there within the child
My storm will never end, my fate is on the wind
The King of Hearts, the joker's wild And we don't say goodbye
We don't say goodbye
I'll make them all remember me 'Cause I have found a dream
That must come true
Every ounce of me must see it through
But I am so lonely I'm sorry I don't have a role
For love to play
Hand over my heart, I'll find the way
I will make them give to me Immortality
There is a vision and a fire in me
I'll keep the memory of you and me inside And we don't say goodbye
We don't say goodbye
With all my love for you
What else we may do We don't say goodbye
