

# You Won't Be Leaving

## Herman's Hermits

The hour is very late,  
And I can see you're getting worried  
Coffee's finished, candles low  
And soon you'll be asleep.

Long walk on the night is chilly  
And my room is cozy  
I've got a feeling,  
You won't be leaving tonight.

Never thought to ask you  
Why you really came to see me  
Was it just the picture pinned  
So neatly on the wall?

Candle lights place shadows  
Of your figure on the ceiling  
I've got a feeling  
You won't be leaving at all.

I don't try to fight it, baby  
I see the lovelight in your eyes  
Just hold me tight then baby  
You'll see that I'm not tellin' lies.

Never thought to ask you  
Why you really came to see me  
Was it just the picture pinned  
So neatly on the wall?

Candle lights place shadows  
Of your figure on the ceiling  
I've got a feeling  
You won't be leaving, at all.

I've got a feeling  
You won't be leaving, at all.  
I've got a feeling  
You won't be leaving, at all.

I've got a feeling  
You won't be leaving, tonight.
