

Serious

Duncan James, Sheridan Smith

When I look back at my time at the track
And I played and I played and I played and I
Was shooting the craps at the back of fat Jack's
 Come on, fade me, Jake
I'm a Las Vegas dreamer, they took to the cleaners
 A bath, what a bath, what a bath I'd take
A fish on a hook, I was rattled and shook 'cause I lost my stake
 I took that serious
 All of my life was a laugh and a joke
 And a drink and a smoke
 And then I passed out on the floor
Again and again and again and again and again
 I'm a gambling fool with a roll and a cue
 Wanna play, wanna play, wanna play with you
Put my ass on the line, rubbed my nose in the grime
 And they picked me clean
The chance and the game drove old silky insane
 What a pain, what a strain on my brain it was
A fish on a hook, I was rattled and shook 'cause I lost my stake
 I took that serious
 All of my life was a laugh and a joke
 A drink and a smoke
 And then I passed out on the floor
Again and again and again and again and again
 Serious, it was serious, oh, so serious
 Serious, it was serious, oh, so serious
 All of my life was a laugh and a joke
 A drink and a smoke
And then I passed out on the floor or a friend
Again and again and again and again and again
 All of my life was a laugh and a joke
 A drink, a smoke
 And then I passed out on the floor
Again and again and again and again and again and again
 And again and again and again and again and again
 And again and again
