

Put Me On

Latif

All I wanna do is make you dance right
Another B. Cox joint
Like that, come one, 2003
Latif, yeah, come on
Yeah, come on, yeah, come on
First verse
You're hotter than all your friends
Looking good, do your thing
I couldn't pass ya, had to ask ya
Did you get it from your mama?
I done seen a quite a few girls
None could tie the shoes on you girl
I'm not gaming so don't get me wrong
There's something I think you should know
Are you the one?
You're just something I'm tryna get with tonight
But I want
Nothing serious, tell me are you feeling this
I'll take you home
Bet that, shorty wanna ride with me
So put me on, girl
Put me on, ma
Hey, hey
I know these boys in the club
Been sweating you all damn night
And baby
The way you shake it on the floor
Plus that dress fitting you so right
Hey, hey
So won't you give me a chance
'Cuz I'm not thinking 'bout those other guys
So, slide your body next to mine
Baby, won't you put me on?
We could shake the spot
You and me
This is where I'm tryna be
This pool is calling for your body
Mixing Crissy with Bacardi
You can leave the keys with your friends

Just come and take a ride in my Benz
I'm not gaming so don't get me wrong
There's something I think you should know
Are you the one?
Or are you just something I'm tryna get with tonight
What I want
Nothing serious, tell me are you feeling this
I'll take you home
Bet that, shorty wanna ride with me, what
So put me on, girl
Put me on, ma
Hey, hey
I know these boys in the club
Been sweating you all damn night
And baby
The way you shake it on the floor
Plus that dress fitting you so right
Hey, hey
So won't you give me a chance
'Cuz I'm not hanging like those other guys
So, slide your body next to mine
Baby won't you put me on
Can't nobody wear that dress like you
Can't nobody do the things you do
I'm not tryna get into you
I'm just tryna get, ooh
Can't nobody do your body like me
You know this is where you oughta be
So, tell me baby, will you put me on?
Yeah, put me on girl
Yeah, put me on girl
Yeah, B. Cox, Latif, let's go
Hey, hey
I know these boys in the club
Been sweating you all damn night
And baby
The way you shake it on the floor
Plus that dress fitting you so right
Hey, hey
So won't you give me a chance
'Cuz I'm not hanging like those other guys
So, slide your body next to mine
Baby, won't you put me on?
Put me on girl
Like that, yeah, 2003

Come on
Latif, yeah, yeah
