

The Ascent of Man

R.E.M.

So hesitation pulled me back
I'm stronger when I don't attract
In your eyes I'm a lamb without a rack
And I am getting confused I'm a cactus trying to be a canoe
As you pan for ore
In the desert floor I say to you That I could never imagine a place so beautiful
I could never steal your gold away Yeah yeah yeah yeah yeah I try to walk like a big wham bam
I came across like a battering ram
I try to float like a telegram sam
I'm trying to divine you My book is called "The Ascent Of Man"
I marked your chapter with a catamaran
The accent's off but I am what I am Yeah yeah yeah yeah yeah I try to walk like a big wham bam
I came across like a battering ram
I try to float like a telegram sam
I'm trying to divine you I looked for you, it's my last grandstand
A motor scooter goat legged pan
Figure eighting in quicksand Yeah yeah yeah yeah yeah I try to walk like a big wham bam
I came across like a battering ram
I try to float like a telegram sam
I'm trying to divine you I try to walk like a big wham bam
I came across like a battering ram
I try to float like a telegram sam
I'm trying to divine you So hesitation pulled me back
I'm so in love I don't attract
With my hands tied I won't crack
