Shake Them Haters Off

Kelly Rowland

Wake up in the morning
Turn up my alarm and
Get a stretch and yawn in
Start shaking haters off
Start shaking haters off
YeahGo and brush my teeth and
Get something to eat get
Fly as I can be and
Start shaking haters off ha
Start shaking haters offIts like the job that I never get a break from
Because haters never take a vacation
When really I don't even mind
If they're hating all the time
Guess I'm doing something right
Still around at forty nineWake up in the morning
Turn up my alarm and
Get a stretch and yawn in
Start shaking haters off
Start shaking haters off
YeahNeed another life just
Doing what I like but
Every single night I'm
Steady shaking haters off
Steady shaking haters off
Steady shaking haters off
Steady shaking haters off
YeahShine so bright its hard to miss me
I love to keep haters busy
That doesn't' do what I want
And they only do what they canWhen you see me don't hesitate
Please look for a reason to hate
It's so much motivation
For me to be everything you can't standIts like the job that I never get a break from
Because haters never take a vacation
When really I don't even mind
If they're hating all the time
Guess I'm doing something right
Still around at forty nineNeed another life just
Doing what I like but

Every single night I
Steady shaking haters off
Steady shaking haters off
Steady shaking haters off
Steady shaking haters off
YeahI'm everything you want to be
So go ahead and hate on me
You're motivation is what I need
So be my guest, please hate on meI'm everything you want to be
So go ahead please hate on me
You're motivation is what I need
So be my guest, please hate on meWake up in the morning
Turn up my alarm and
Get a stretch and yawn in
Start shaking haters off
Start shaking haters off
YeahNeed another life just
Doing what I like but
Every single night I
Steady shaking haters off
Steady shaking haters off
Steady shaking haters off
Steady shaking haters off
Yeah
