

# Captain, Please Come Again

[Peter Liam Holcross](#)

Lost..adrift on an endless sea;

Goin', but knowin' not where...

Dreams to guide our destiny,

Heartache to show where we've been.

Captain, please come again: we're near the end!Time, before and behind us,

The stars, our only friends

The night shows no sign of ending

This storm could well mean our end.

Captain, please come again: we're near the end!(Chorus) You gave up Your Life

to give us the treasure!

But now we need You most of all...

All Your sailors are waiting,

Captain, for Your call!(spoken) After the tribulation of those days, shall appear the Sign of the Son of Man in heaven;and they shall see the Son of Man coming in the clouds with power and great glory!

And He shall send His angels with the great sound of a trumpet and they shall gather together His elect from the four winds, from one end of heaven to the other! And the dead in Christ shall rise first; then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air! And so shall we ever be with the Lord.
