

# Just Gotta Sing

[Rick Springfield](#)

Just gotta sing to make the whole world ring  
Just gotta sing to take your mind off the worry  
Just gotta sing to make the whole world ring  
Just gotta sing to take your mind off the hurry Oh, I tell you it's easy  
Oh, so light and easy  
If you're feeling low  
Open up the door Just gotta sing to make the whole world ring  
Just gotta sing to take your mind off the worry  
Just gotta sing to make the whole world ring  
Just gotta sing to take your mind off the hurry Oh, you know all about it  
Yeah, why do you doubt it?  
If you're a little down  
Open up the door Oh, da, da, da, da  
(Just gotta sing, whoa, just gotta sing, whoa)  
Open up the door Just gotta sing to make the whole world ring  
Just gotta sing to take your mind off the worry  
Just gotta sing to make the whole world ring  
Just gotta sing to take your mind off the hurry Da, da, da, da  
(Just gotta sing, whoa, just gotta sing, whoa)
