

Where Fishes Go

Live

Yea I found God
And He was absolutely nothin' like me
He showed me up like some dime store hooker
Who was plain to see
I couldn't take it anymore
So I went back to the sea
'Cuz that's where fishes go
When fishes get the scent to flee Where you goin' now?
What's your plan? Yea I found God
And He was absolutely just like me
He opened my mouth, looked down my throat
Told me I was thirsty
He said, "I been, I been, I been
Been in this water all my life
Never took the time to breathe
Uhh breathe, uhh breathe Whatcha doin' in this darkness baby?
When you know that love will set you free
Will you stay in the sea forever?
Drownin' here all eternity Whatcha doin' in this darkness, baby?
Livin' down where the sun don't shine
Come on out into the light of love
Don't spend another day
Livin' in a sea, livin' in a sea I, I couldn't take it anymore
So I went back to the sea
Yea, I went back
(Went back)
Cuz' that's where fishes go
When fishes get the sense to flee
Uhh breathe, uhh breathe Whatcha doin' in this darkness baby?
When you know that love will set you free
Will you stay in the sea forever?
Drownin' there for all eternity Whatcha doin' in this darkness baby?
Come on out into the light of love
Come on out into the light of love child
Don't spend another day
Livin' in a sea, livin' in a sea, yea Whatcha doin' in this darkness, baby?
Livin' down where the sun don't shine
Come on out into the light of love, child
Don't spend another

No noWhatcha doin' in this darkness baby?
Come on out into the light of love
Come on out into the light of love child
Don't spend another day
Livin' in a sea, livin' in a sea, yeaYea I found God
And He was absolutely nothin' like me
