

Banal

Bill Nelson

Every sound I hear
Seems to sound the same
Every face I see
Seems the same to me
Banal (x4)

Every book I've read
Says the same old thing
Everything I've said
Has the same old ring
Banal (x4)

I know you, you know me
Talk about constantly
Sky of blue, sea of green
Only fools harbour dreams

Everyone I meet
Hands me the same old line
Buildings on the street
Display familiar signs
Programmes on TV
Employ the same device
Their warm humanity
Just leaves me cold as ice
Banal (x4)

Banal (x3)
So banal
