

# Still I Long for Your Kiss

[Lucinda Williams](#)

I know that I shouldn't but I want you so bad  
I know it couldn't be but I want what we had  
I know our love is gone  
And I can't bring it back Still I long for your kiss  
Still I long for your kiss I know it's over cause you told me so  
I tried to leave but I can't let you go  
I can't believe  
You don't want me no more Still I long for your kiss  
Still I long for your kiss The days go by but they don't seem the same  
I cry and cry and I call out your name  
I go downtown I see your face  
Nobody around can take your place But you put me down  
But you turned me away Still I long for your kiss  
Still I long for your kiss The days go by but they don't seem the same  
I cry and cry and I call out your name  
I go downtown I see your face  
Nobody around can take your place But you put me down  
Then you turned me away Still I long for your kiss  
Still I long for your kiss  
Still I long for your kiss
