

Can't Get Enough

Mary J Blige

Yeah No matter what I do
I want you to pull me through 'cause I need you
Every day and every night
You make wonders in my life that's why I call on you This is true
I can't get enough of you
This is true
I can't get enough of you Listen, you bring joy instead of pain, bring me flowers after rain
You give me lovely days
I know I can count on you to turn my gray skies blue
That's why I love you This is true
I can't get enough of you
This is true
I can't get enough of you This is true
I can't get enough of you
This is true
I can't get enough of you Please don't
Ever leave my side
I can't live without you
I've already tried I don't think that I can make it and I'm not prepared to take it
If you're not with me, no oh
I can make it through the storm, I need your love to keep me warm
It's what makes me strong This is true
I can't get enough of you
This is true
I can't get enough of you This is true
I can't get enough of you
This is true
I can't get enough of you
