Empty Cups

Charlie Puth

[Verse 1]
Oh, the way that you dance on me makes me not wanna leave
You wanna go upstairs but you don't wanna sleep
Oh, right now we're in a rhythm
Your boyfriend's no competition
Turn off your phone and blame it on your battery, hey[Pre-Chorus]
Oh-oh-oh-oh
We're getting real, real close
Oh-oh-oh-oh
Can't let this moment go
[Chorus]
As long you party like there is no one at the party
Just me and you and these empty cups
If you want it like I want it
Let me take you to another room
So it's only us
Turn my television up so nobody can listen
As long you party like there is no one at the party
Just me and you and these empty cups[Verse 2]
Oh, girl, do you think they'll notice if we slip away?
Maybe tomorrow they'll all have something to say
Oh, right now we're in a rhythm
We don't need no one's permission
End of the night don't mean we gotta separate
[Pre-Chorus]
Oh-oh-oh-oh
We're getting real, real close
Oh-oh-oh-oh
Can't let this moment go[Chorus]
As long you party like there is no one at the party
Just me and you and these empty cups
If you want it like I want it
Let me take you to another room
So it's only us
Turn my television up so nobody can listen
As long you party like there is no one at the party
Just me and you and these empty cups
All of these empty cups
Baby, all of these empty cups[Pre-Chorus]

Oh-oh-oh-oh
We're getting real, real close
Oh-oh-oh-oh
Can't let this moment go[Chorus]
As long you party like there is no one at the party
Just me and you and these empty cups
If you want it like I want it
Let me take you to another room
So it's only us
Turn my television up so nobody can listen
As long you party like there is no one at the party
Just me and you and these empty cups
