

# Penny On The Floor

## The Clarks

There's a penny on the floor and you're gone  
The television's on  
Have you found another man to take my place

There's a penny on the floor and I'm wise  
I try to see in your eyes  
But all I see is a reflection of my face

There's a penny on the floor and you're gone  
I'm trying to right what's wrong  
A stronger man might do it with more grace

There's a penny on the floor and I'm wise  
I look up to the skies  
I cry and pray and I stare out into space

There's a penny on the floor and you're standing at the door  
Turn around and say goodbye  
A woman like you comes around just once a life

There's a penny on the floor and and I'm strong  
I'll try to carry on  
Realizing no one can take your place

There's a penny on the floor and and I'm fine  
I know it's gonna take some time  
Before I look at you without looking at my own face

Penny on the floor I'm tired of the war  
Penny on the track are you coming back

There's a penny on the floor and it stays  
As a tribute to the days  
That were spent with you no one can take them away

There's a penny on the floor and it stays  
As a tribute to the ways  
You filled my soul with courage hope and grace

There's a penny on the floor and you're standing at the door

Turn around and say goodbye  
A woman like you comes around just once a life

There's a penny on the floor and you're standing at the door  
Turn around and say goodbye  
A woman like you comes around it won't bring me down
