Go Back to the Zoo

oeohoeohoeohoeoh 2xTook a while then I realized that nothing a boss now I'm drinking at home
And no one knows where we wanted to go old Tuesday night feel so slow but
I know that people say I'm lazy but I don't really care
Oh I can think of better things to do than to waste my time and go back to the zooI'm the hero of our time
Cause I'm the hero of our timeoeohoeohoeohoeoh I guess it should be battered
oeohoeohoeohoeoh then I'm the hero of our time!Oh I'm a motorrunning I've been skinning bones
I've lost my pride of the seas I've known
I keep falling for the same mistakes
And I my best friends say "I told you so boy"
I know the time is moving faster if you don't really care
I ain't got money but I'm in my pride so I don't get bored tried to waste my timeI'm the hero of our time
Cause I'm the hero of our timeoeohoeohoeohoeoh I guess it should be battered
oeohoeohoeohoeoh then I'm the hero of our time! 2xoeohoeohoeohoeoh 2x
I guess it should be battered-instrumental-Oh I'm the hero of our time
