Hey There

Brave Combo

Hey there
You with the stars in your eyes
Love's never made a fool of you
You used to be too wiseHey there
You on that high-flying cloud
Though she won't throw a crumb to you
You think someday she'll come to youBetter forget her
Her with her nose in the air
She's got you dancing on a string
Break it and she won't careWon't you take this advice
I hand you like a brother
Or are you not seeing things too clear?
Are you too much in love to hear?
Is it all going in one ear
And out the other?Won't you take this advice
I hand you like a brother
Or are you not seeing things too clear?
Are you too much in love to hear?
Is it all going in one ear
And out the other?Hey there!
Hey there!
Hey there!
