

Night and Day (feat. Fred Astaire with Orchestra)

[Cole Porter](#)

Night and day, you are the one
Only you beneath the moon, under the sun
Whether near to me or far
It's no matter darlin', where you are I think of you night and day
Night and day, why's it so
That this longing for you, follows wherever I go
In the roaring traffic's boom In the silence of my lonely room
I think of you night and day
Night and day, under the hide of me
There's an ooh, such a hungry yearning, burning inside of me And this torment won't be through
Till you let me spend my life making love to you
Day and Night
Night and Day
