

# Just the Same

## Gentle Giant

See me, what I am, what I was, what I'll be  
Hear me, understand that I'm not what you see  
Take this, take the man, middle term, common me  
Don't you see that I'm just doing what I want to do?  
Nothing more and nothing less than you  
Read no thoughts I didn't think myself  
Just the same as anybody else  
Make me someone else, put me up on a stand  
Something that I don't really want on my hands  
Use me, idolize all you can understand  
Don't you see that I'm just doing what I want to do?  
Nothing more and nothing less than you  
Read no thoughts I didn't think myself  
Just the same as anybody else  
Change it, what you think, what you thought, what you say  
Look for something more than you sought yesterday  
I don't want to be part of your life today  
Don't you see that I'm just doing what I want to do  
Nothing more and nothing less than you  
Read no thoughts I didn't think myself  
Just the same as anybody else
