Dreamin' Again

Rough Cutt

There's a mystic moon horizon
Setting in the east
And a rainbow has fallen
Pot of gold at me feet
When I woke up that morning with no one by my side
I thought for a moment
Like a flash before my eyesOh no... I feel I'm dreaming again
Oh no... I'm dreaming
Oh no... I feel I'm dreaming again
Oh no... I'm dreaming
In the dead of the day
My mind drifts away
To a place that's all my own
I close my eyes
To my surprise I'm dreaming again, oh no
Now the picture is clear
And there is nothing to fear
If they should turn out the lights
If I face my fears, They'll all disappear
Like things that go bump in the night!Oh no... I feel I'm dreaming again
Oh no... I'm dreaming
Oh no... I feel I'm dreaming again
Oh no... I'm dreaming
There's a vision in the mirror
Suddenly appears out of nowhere
Eyes glow in the night
In shadows of the light
So beware
There's a " " in there
It's something she said
To make me afraid of the night
If I face my fears, they'll all disappear
Like you all did that nightOh no... I feel I'm dreaming again
Oh no... I'm dreaming
Oh no... I feel I'm dreaming again
Oh no... I'm dreaming
