

# Cry Cry (Til the Sun Shines)

Heidi Newfield

I know a girl she was a waitress  
Had a big spirit till she let her boyfriend break it  
    He always talked her down  
    Took her pride and kicked it around  
    Took it as long as she could take it  
She left a note on the dresser and hung up her apron

[Chorus]  
Cry cry till the sun shines baby  
    Cry cry till the sun shines  
    It's gonna be alright  
    It's gonna be alright baby

I know a man who tried to ease his mind  
Chased his regrets with any bottle he could find  
    Life cut him down so low  
    Took his pride and broke his soul  
    Till he forgave himself and let it go

[Chorus]  
We're all here just trying to live our lives  
Pay our electric bills and spending up our time  
    There ain't a friend to be found  
    Who can't break through the concrete clouds  
When the rain when the rain comes crashing down  
    Oh yeah

Cry cry till the sun shines baby  
    Cry cry till the sun shines  
    It's gonna be alright  
    It's gonna be alright oh yeah  
Cry cry till the sun shines baby  
    Cry cry till the sun shines  
    It's gonna be alright  
    It's gonna be alright baby
