

# The Change Is Made

## Bee Gees

Look out my window  
I can see tomorrow  
Just a whole way of sorrow  
When the change is made  
And I've been a cryin'  
Oh lord, I've been cryin'  
But I'll go on a cryin'  
When the change is made  
And I've been a good man  
Oh lord, lord, I've been a good man  
But what good's a good man  
After the change is made? Yeah  
And I'm not forgettin'  
All the love, the love, the love I've been a gettin'  
But I got to go on a livin'  
After the change is made  
And I been a cryin'  
Oh lord, lord, I've been a cryin'  
But I got to go on a cryin'  
After the change is made  
And I'm not forgettin'  
All the love, love I've been a gettin'  
'Cause I got to go on a livin'  
After the change is made  
And I'm not forgettin'  
All the love, all the love I've been a gettin'  
And I got to go on a livin'  
After the change is made  
And I'm not forgettin'  
All the love, love I've been gettin'  
But I got to go on a livin'  
After the change is made  
And I'm not forgettin'  
All the love, the love, the love, love  
And I got to go on a livin'
