

# Forgiven

## Within Temptation

Couldn't save you from the start  
Love you so it hurts my soul  
Can you forgive me for trying again  
Your silence makes me hold my breath  
Time has passed you by Oh, for so long I've tried to shield you from the world  
Oh, you couldn't face the freedom on your own  
Here I am left in silence You gave up the fight  
You left me behind  
All that's done's forgiven  
You'll always be mine  
I know deep inside  
All that's done's forgiven I watched the clouds drifting away  
Still the sun can't warm my face  
I know it was destined to go wrong  
You were looking for the great escape  
To chase your demons away Oh, for so long I've tried to shield you from the world  
Oh, you couldn't face the freedom on your own  
And here I am left in silence You gave up the fight  
You left me behind  
All that's done's forgiven  
You'll always be mine  
I know deep inside  
All that's done's forgiven I've been so lost since you've gone  
Why not me before you?  
Why did fate deceive me?  
Everything turned out so wrong  
Why did you leave me in silence? You gave up the fight  
You left me behind  
All that's done's forgiven  
You'll always be mine  
I know deep inside  
All that's done's forgiven
