

# Hey

## Red Hot Chili Peppers

Won't somebody come along  
And teach me how to keep it alive to survive?  
Come along and show me something  
That I never knew in your eyes take away the tourniquet I used to be so full of my confidence  
I used to know just what I wanted and just where to go  
More than ever I could use a coincidence  
But now I walk alone and talk about it when I know Hey, oh yeah, how long?  
I guess I ought to walk away  
Hey, oh yeah, so long  
What you gonna do today? I don't wanna have to, but I will  
If that's what I'm supposed to do  
We don't wanna set up for the kill  
But that's what I'm about to do Let it on, I'll cut you off when  
You're screaming into the phone, hard to own  
Anyway, I wanna let you know  
That everything is on hold, what you gonna do to me? You used to be so warm and affectionate  
All the little things I used to hear my fairy say  
But now you're quick to get into your regret  
I'll take the fall and now you got to give it all away Hey, oh yeah, how long?  
I guess I ought to walk away  
Hey, oh yeah, so long  
What you gonna do today? I don't wanna have to, but I will  
If that's what I'm supposed to do  
We don't wanna set up for the kill  
But that's what I'm about to do I don't wanna have to, but I will  
If that's what I'm supposed to do  
We don't wanna set up for the kill  
But that's what I'm about to do Hey, what would you say if I stayed?  
Stayed for a while, if I may  
Say it again and I'll come around  
But not for the last time Hey, what would you say if I changed?  
I'll change everything but my name  
Play it again and I'll come around, come around  
But not for the last time, not for the last time You used to be so warm and affectionate  
I used to know just what I wanted and just where to go  
And now you're quick to get into your regret  
And now I walk alone and talk about it when I know Hey, oh yeah, how long?  
I guess you gotta walk away  
Hey, oh yeah, so long

What you gonna do today? Hey, oh yeah, how long?  
I guess you gotta get away  
Hey, oh yeah, so long  
What you gonna do today?
