

Just Friends

Jonas Brothers

There she goes again, the girl I'm in love with
Its cool, were just friends, we walk the halls at school
We know its casual, its cool, were just I dont want to lead you on
No, but the truth is Ive grown fond, yeah Everyone knows its meant to be
Falling in love, just you and me
Till the end of time, till Im on her mind, itll happen Ive been making lots of plans
Like a picket fence and a rose garden
I just keep on dreaming But its cool 'cause were just friends Small talk on IM, just one more sentences
Its cool, were just friends
If I had my way, wed talk and talk all day, yeah Everyone knows its meant to be
Falling in love, just you and me
Till the end of time, till Im on her mind, itll happen Ive been making lots of plans
Like a picket fence and a rose garden
I just keep on dreaming But its cool 'cause were just friends Thinking about how, were gonna say our vows
Its cool were just friends, she walks down the aisle
I see all my friends smile 'cause now, were more than friends Everyone knows its meant to be
Falling in love, just you and me
Till the end of time, till Im on your mind, itll happen, oh Weve been making lots of plans
Like a picket fence and a rose garden
I just keep on dreaming Just keep on thinking about when we used to be just friends (La, la, la, la)
(La, la, la, la)
(La, la, la, la, la)
When we used to be, when we used to be (La, la, la, la)
(La, la, la, la)
Just friends
(La, la, la, la, la)
When we used to be just friends
