

# Why Wait

## Shakira

Put your trust in me  
I won't let you down  
Don't delay the things  
That you want right now  
Why wait for later?  
Hey don't you want some action  
I'm not a waiter  
I like to make things happen  
Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know?  
Baby, come home  
One more night with you  
I won't think it through  
Time's money but you knew  
Nothing in the world you can think of  
That I won't do to you  
Drowning in your sweat  
'Til I drench my clothes  
You've seen nothing yet  
Wait 'til you let go  
Why wait for later?  
Obey my intuition  
We're going to be just fine  
I got a premonition  
Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know?  
Baby, come home  
One more night with you  
I won't think it through  
Time's money but you knew  
Nothing in the world you can think of  
That I won't do to you  
I'm gonna dance through the veil of your eyes  
While you follow my steps and decide  
And I see your fate in the palm of your hand  
No one looks, no one hears us this time  
It's only me and your conscience tonight

If there are no witnesses, there is no crime  
Why wait for later?  
I'm not a waiter  
Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know  
Baby, come home  
One more night with you  
I won't think it through  
Time's money but you knew  
Nothing in the world you can think of  
That I won't do to  
One more night with you  
I won't think it through  
Time's money but you knew  
Nothing in the world you can think of  
That I won't do to you  
You, you, you, you  
You, you, you, you  
You, you
