# Discovery

## Altaria

Time, never enough in my life
Chasing my tale, so scared to fail
That it's eating me up from inside

Eyes, following me all around
Watching my moves, making me lose
All the dignity from this disguise

Climbing the stairway of steel
Discovery, there is magic inside to be found
Discovery, the power at heap in the night

Signs, telling us stories of light
All the stars in the sky
Asking me why did you burry yourself in the sand

Fights, through thunder and lightning again
Conquer the world, make your voice heard
Reach out and abandon your den

Climbing the stairway of steel
Discovery, there is magic inside to be found
Discovery, the power at heap in the night

Discovery, there is magic inside to be found
Discovery, discover the power tonight

[solo]
Discovery, there is magic inside to be found
Discovery, the power at heap in the night

Discovery, there is magic inside to be found
Discovery, discover the power tonight
